

International Paediatric Pathology Association

IPPA Online Education Tool

These virtual events are a new educational tool consisting of two hour sessions containing two high quality 45min lectures with a 5min break. The virtual events will use Zoom and an attendance certificate will be provided for CPD purposes.

Our first Virtual Event starts July 21st 15.00hrs – 17.00hrs (BST)
10.00hrs – 12.00hrs (NYT)

Lecture One is presented by **Dr P. Argani** of John Hopkin's University, Baltimore, Maryland, USA

Title: Translocation Carcinomas in kidney

Lecture Two is presented by **Professor D.Heller** Department of Pathology, Immunology & Laboratory Medicine, Rutgers New Jersey Medical School, USA

Title: Miscellaneous lesions of the placenta-a smorgasbord of placental pathology
